We used the resources in the packet to plan three classes with the Class XI Scripture classes. We began with an introductory discussion using the Stories of Trafficking from the Trafficking in Women and Children Anti Trafficking Kit and Sr. Eugenia's talk. Students then worked in small groups on different tasks.

Two sections reviewed the websites listed among the resources in the packet. They wrote annotations of them to post on the Marymount School Website as an awareness raising activity.

One section prepared a slideshow on Human Trafficking to be displayed on 11/26/12 – to highlight the International Day for the Elimination of Violence Against Women. This slideshow will be displayed in the school lobby.

One section prepared a discussion group for Upper School students on the issue of Human Trafficking –economic, social, political, cultural influences and causes as well as key facts and actions which can be taken.
