

DRUGS

People are pressured to support drug dealers by using and selling drugs.

Older people are buying cigarettes and selling them to underage children which can cause their death at a young age.

Drugs led to death.

Less drug dealers and more supportive neighbors are needed to clean up the streets.

In order to prevent the youth from being involved in drugs, we can have a documentary about what happens when you use drugs. We can also help drug users get into rehab and try to turn them to God.

Drugs make people do dumb things.

Many who involved in drugs drop out of school.
